## Trisiana Muljono

Principal & Licensed Agent

In 1999 Trish's entrepreneurial vision and passion for property led her to establish SydneyLinks, a boutique agency on Macleay Street, Potts Point.

SydneyLinks Real Estate is a market leader in the corporate fully furnished rentals in Sydney's Eastern Suburbs and Inner City. Trish is a dynamic agent with a depth and breadth of market knowledge on prices and market trends. She has developed the intuition to know who the buyers are for Your property and what they will be prepared to pay.

**Nikki Firth** (FCA)

## Director of Your Accounting Sanctuary

Nikki is originally from the UK and has worked in public practice for over 16 years. She's a Fellow Chartered Accountant and Tax Agent and specialises in helping small and medium-sized businesses take away their accounting and tax burdens, so that they can get out there and do what they do best.

She also enjoys working with individuals who are trying to take control and build their own wealth, by working closely with many financial advisers to provide efficient tax advice.

Accountancy is not just about the numbers and Nikki prides herself on adding value to clients both on an individual and business level, by bringing together the two different goals into one understandable plan.
